About

Tyumen Oil & Gas Forum

Annual international business event with an oil and gas agenda, one of Russia's top five industry fora.

The Tyumen Oil & Gas Forum is an efficient venue for debating oil & gas industry development, an opportunity to take a fresh look at the challenges of the time and find solutions to key issues.

Statistics

130

Over 130 speeches and presentations

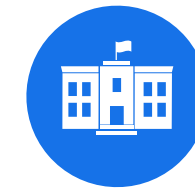

100

Over 100 leading journalists from Russian and foreign media

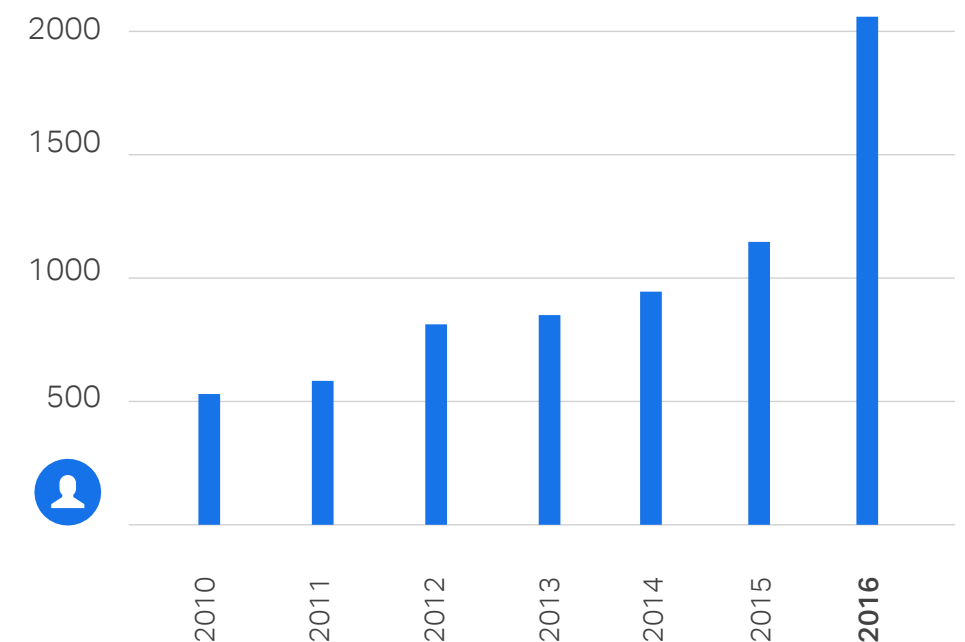

6000

Over 6,000 delegates from 11 countries*

The Forum is supported by the Government of Tyumen Region, the Ministry of Energy, and the Ministry of Natural Resources and Environment of the Russian Federation

Number of Forum participants

Opportunities

Contribute to the future of the oil and gas industry today
