Dear Partners!

«Kubgaz-Oil» Ltd. company being a part of «Neftegaz-Invest» Group («NGI» Group) was established in 2015 for organization and maintenance of supply of the russian gas and oil products for export. Our company is based in Krasnodar (Krasnodarskiy Kray - Krasnodar Region). There are 9 seaports in Krasnodarskiy kray: Tuapse, Novorossiysk, Temryuk, Yeysk, port Taman, Gelendzhik, port Kavkaz, Anapa, Sochi. More than 40% of the russian hydrocarbons are carrying out through them.

We work in such segments of business: Jet fuel JP-54/A1, D-2 Gasoil, M-100, Gasolines, Propan-Butan (LPG, CNG). Activity of «NGI» Group includes investment, purchase, distribution and sale of hydrocarbons. Delivery is carried out directly from manufacturing enterprises that makes possible to supply goods in large quantities and at acceptable prices. The «NGI» Group provides access to the Russian market and promotes additional increase in quotas and transaction. Our competitiveness in the market caused by understanding of the oil and gas market, financial opportunities and communications. Our company carries out supply of oil products and gas to the customers worldwide. Our financial capabilities allow us to find best solutions for our partners. «NGI» Group cooperates only with competent sellers and buyers for ensuring trade in large volumes of production.

One more «NGI» Group direction is:

1. involvement of investors for participation in implementation of infrastructure projects,
2. developments of small oil and gas fields,
3. construction of small oil refineries.

Investments allow to receive oil products and gas at primary prices.

We invite the interested companies to long-term cooperation.

Best regards,

CEO Mr. Khizhnyak Alexander
